

We decided to open Belle Vue Bistro

on 6th November 2013. We are a family run

restaurant / coffee shop and our aim is to provide all

our customers with a dining experience they will love, with the hope that you will return as regular customers and friends.

We have 26 seats inside and 8 seats outside, ensuring a small but welcoming environment.

Almost all of our food is homemade, including our pizza dough , burgers & brioche rolls. All food is freshly cooked to order using fresh local produce & our coffee is made from the finest Italian coffee beans.

With notice we are happy to make any dish you like , We cater for all people with specific allergies and are proud to be part of Coeliac UK.

We hope you have an enjoyable experience with us,

Yvonne, Paul & team.
